

DOWNTOWN SCAVENGER HUNT CLUES!!

1

After leaving Shot in the Dark, walk to the corner of Broadway and 6th and turn right. Look for the wrench between the queen and the strong man.

Keep going north and cross Congress. Find some jewels for the queen above the chess board.

2

After collecting your treasure, keep walking north until you see this. TURN LEFT!

The old marquee on the building rhymes with smiley.

3

4

He played a mean trumpet. Find his name and you'll find spot #4 next door.

These three towers will guide the way to the next stop. Once you find them, turn 180°

5

Addresses

1. _____
2. _____
3. _____
4. _____
5. _____

[if address is not clearly visible, write a brief description of the building]

6

Walk to the corner. Look for the name set in stone. But don't try to phone home.

Across from where you get a new do is a building striped in blue. That's your next clue.

7

After you've taken a trip down memory lane, look for the blond. She'll show you where to move on.

Find the chick next to the flick.

8

9

Put on your dancing shoes!

This is the last one. Then, head back to Shot in the Dark to see if you've won!
